

Exam Process NCS/EP

Kelly Bill/Rachel Hutchings

Feb 2017

WBA role

- Ensure IRCP are all signed off and Sent to EBS 2 weeks prior to the exam date.
- Exam in TP department
- Ensure patient booked and equipment available.
- This is the 3rd assessment for VEP and 4th CTS

What will happen

- 2 examiners (may be an observer)
- Perform calibrations VEP and NCS as per departmental protocols but ensuring minimum standards of IRCP are met.
- This may be 2 patients and 2 different machines. Potentially a whole day of assessing

National Examiners

- Training from today – exactly the same assessment process.
- E – learning refresher
- Register as examiner with National exam board.
